### **Description**

This doe was very difficult to get pictures of. I was out of breath and so was she. She was bleeding... I was bleeding.. Anyway. This is a very well balanced doe sired by TMK Rio. Her dam, Boss's Cassie is a full sibling to Boss's Sport who served at Benson Hill kikos. She will be tough. ECR Alexandra made them tough, wild, and full of maternal

instincts. ECR Alexandra lived to be 11 years old - we purchased her as a yearling and she stayed at TMK her entire life. Pedigree is a solid combination of Hammer, Copyright, Imprint, & Hanky Panky.
