LOT 24 - TMK KEEPER'S PRODIGY - 2 Straws

Description

Two straws of TMK Keeper's Prodigy 118. Prodigy was the high selling buck at the 2020 Cream of the Cop sale. Prodigy is a large buck with a lot of bone. He has black feet that have never been trimmed since we bought him home. We used Prodigy this year on about 90 does. I was wasn't going to sell any semen on him until we got kids

out of him. We are super excited with his kids this year. He is a white buck that produces a lot of color. His kids are very heavy boned with a lot of frame. Stored at REI
